General Data Protection Regulation (GDPR) Policy (V2.1)

Effective Date: April 16, 2026

1. Introduction

Tech99 Innovations Private Limited ("**CertifyMe**", "**we**", "**our**", or "**us**") is committed to protecting personal data and complying with the European Union General Data Protection Regulation (EU) 2016/679 ("GDPR").

This policy explains how CertifyMe processes personal data when providing digital credentialing, identity verification, credential management, transcript management, digital wallet, and related SaaS services to Enterprise and VIP customers.

3. Scope

This policy applies to:

- Enterprise customers
- Educational institutions
- Universities
- Corporate customers
- Government organizations
- Users of the CertifyMe platform
- Credential recipients
- Verifiers accessing shared credentials

This policy applies only to personal data processed through CertifyMe services.

4. Roles Under GDPR

Depending on the service being provided, CertifyMe may act as:

Data Processor

For most enterprise customers, CertifyMe processes personal data solely on behalf of the customer.

The customer determines:

- what data is uploaded
- why it is processed
- how long it is retained
- who may access it

Data Controller

CertifyMe acts as Data Controller for:

- account registration
 - billing
 - support requests
 - website analytics
 - security logs
 - marketing communications where consent has been obtained
-

5. Categories of Personal Data

Depending on customer configuration, CertifyMe may process:

Account Information

- Name
- Email address
- Organization
- Job title
- Phone number

Credential Information

- Academic records
- Certificates
- Badges
- Transcripts
- Skills
- Employment history
- Achievement records

Technical Information

- IP address
- Browser type
- Device information
- Session identifiers
- Login history
- Audit logs

Support Information

- Support tickets
 - Communication history
 - Attachments voluntarily submitted
-

6. Lawful Basis for Processing

Where CertifyMe acts as Controller, personal data is processed under one or more lawful bases:

- Performance of a contract
 - Compliance with legal obligations
-

CertifyMe

Tech99 Innovations Private Limited

Address

Good works, 3Rd Floor, Akshay Tech Park, Plot No.72 73,
EPIP Zone Whitefield, Bengaluru, Karnataka, 560066

- Legitimate business interests
- User consent
- Protection against fraud and abuse

Where CertifyMe acts as Processor, processing is performed solely under the documented instructions of the customer.

7. Purpose of Processing

Personal data is processed to:

- Issue digital credentials
- Verify credentials
- Authenticate users
- Manage accounts
- Provide customer support
- Prevent fraud
- Maintain platform security
- Generate audit logs
- Improve platform performance
- Comply with legal obligations

CertifyMe does not sell personal data.

8. Data Security

CertifyMe maintains appropriate Technical and Organizational Measures (TOMs) designed to protect personal data against accidental or unlawful destruction, loss, alteration, unauthorized disclosure, or access.

Security controls include, where applicable:

- Encryption of data in transit using TLS
- Encryption of stored data
- Role-Based Access Control (RBAC)
- Multi-Factor Authentication for privileged users
- Audit logging
- Least-privilege access
- Secure software development lifecycle
- Regular vulnerability assessments
- Penetration testing
- Infrastructure monitoring
- Backup and disaster recovery procedures

9. International Data Transfers

Where personal data is transferred outside the European Economic Area (EEA), CertifyMe implements appropriate safeguards, which may include:

- Standard Contractual Clauses (SCCs)
 - Customer-approved transfer mechanisms
 - Appropriate contractual protections
-

10. Data Retention

Personal data is retained only for as long as necessary to:

- provide contracted services
- comply with legal obligations
- resolve disputes
- enforce agreements
- maintain audit requirements

Upon termination of customer services, data is retained according to contractual agreements and applicable legal requirements before secure deletion.

11. Subprocessors

CertifyMe may engage trusted subprocessors for infrastructure, hosting, communications, customer support, monitoring, and security services.

All subprocessors are contractually required to maintain confidentiality and appropriate security controls consistent with GDPR Article 28.

Customers may request the current list of approved subprocessors by contacting privacy@certifyme.online.

12. Data Subject Rights

Where GDPR applies, individuals may exercise the following rights:

- Right of access
- Right to rectification
- Right to erasure
- Right to restriction of processing
- Right to data portability
- Right to object
- Right to withdraw consent
- Right to lodge a complaint with a supervisory authority

Where CertifyMe acts as a Data Processor, requests will be forwarded to the relevant Data Controller unless legally prohibited.

13. Security Incident and Breach Notification

CertifyMe maintains documented incident response procedures.

Where CertifyMe becomes aware of a personal data breach affecting customer data, the affected customer will be notified without undue delay after confirmation of the incident, in accordance with contractual commitments and applicable law.

14. Data Processing Agreement (DPA)

For Enterprise customers, CertifyMe offers a Data Processing Agreement (DPA) incorporating the requirements of GDPR Article 28.

The DPA defines:

- processing instructions
- confidentiality obligations
- security measures
- subprocessors
- international transfers
- deletion or return of customer data
- audit rights

15. Cookies

Our website uses cookies necessary for:

- authentication
- security
- session management
- user preferences
- analytics

Where required by applicable law, non-essential cookies are used only after obtaining appropriate consent.

16. Children's Privacy

CertifyMe services are intended for educational institutions, organizations, and professional users.

We do not knowingly collect personal information directly from children where prohibited by applicable law.

Where educational institutions use CertifyMe for minors, they are responsible for obtaining any legally required permissions.

17. Customer Responsibilities

Enterprise customers acting as Data Controllers are responsible for:

- establishing a lawful basis for processing
- obtaining required consents where applicable
- responding to data subject requests
- Configuring retention periods
- ensuring uploaded data is lawful

CertifyMe processes personal data only according to documented customer instructions.

18. Changes to This Policy

We may update this GDPR Policy periodically to reflect legal, regulatory, operational, or security changes.

The latest version will always be available on our website.
